John Figueiredo, Mattapoisett businessman and Master of the Mattapoisett Grange, will be sorely missed by his townspeople. Above, with Mrs. Mildred LeBaron, John is shown placing the historic designation on the Grange Hall this November. The Grange Hall restoration was the last of many public service projects which John headed. Until a month ago, he was energetically leading the Grange campaign.

John and his wife, Martha, as proprietors of the Village Cleaners, are probably known to most Mattapoisett residents as well as to many in neighboring towns. John served for many years as a member of the Mattapoisett Housing Authority. He was also well known for local watch and clock repair. He was a timekeeper for the whole town, in a way, because it

was he who climbed the tower in the Center School to keep the big clock working.

John, a former member of the Mattapoisett Volunteer Fire Department, past co-president of the Congregational Couples Club and member of the Florence Eastman Post #280 American Legion, has lived most of his life in Mattapoisett. He contributed to the community in so many social and political ways but probably is best known and best liked for his own personality - open and generous. His grin was infectious and his voice quick and enthusiastic.

His death last Friday, at 60, at Davis Park Veterans' Hospital, was sudden and untimely, and saddens all who valued him.

They said that, as they spend the evening on the town streets, they are constantly "hassled by the police". If the police are not moving them around, the boys said, homeowners in the vicinity "hassle them" objecting to the noise and horseplay. The boys told the Board of Selectmen that they need a place to hang out where they can do what they please and make noise without the constant objection of police and homeowners. The Selectmen inquired as to the time period

"Don't you have any homework?" he inquired. Myles McKeane of 5 Homestead Court, replied that he does his homework right after school and finishes in one hour or less. The Selectmen promised to set up an early appointment for the boys and the mother with the Sports and Athletic Committee to see what they can work out in the way of a hangout and activities to fill the free time in the evening.

**GARDEN CENTER OPENING**

Mr. Robert Davis, district manager of Nickerson Lumber Company, appeared before Selectmen with Mrs. Davis to introduce himself and to explain the operation which is planned for property owned by the lumber concern. He said that the former Route 6 Sippican-Burnham property will be operated, at present, as a Garden Center selling plants, shrubs, split rail fencing, decking material, garden tools, garden furniture and other related outdoor items. He said that a small operation is presently planned using the existing structure and greenhouse with minor alteration. The Garden Center will be open about 7 months of the year with a small staff. ### SEWER SCHEDULE DISCUSSED

Ronald Michalski and Phil Sheridan, con-  
sulting engineers of Tighe and Bond, met  
with Selectmen to go over progress and  
steps in the future to keep the planning on  
schedule to assure an orderly progress to-  
ward the target date of March 1, 1977.

The discussion concerned necessary steps  
to be completed to assure that funding ap-  
plication can proceed on a timetable. The  
second draft of the agreement between the  
town and Fairhaven is now taking shape and  
the officials and engineers are interested in  
completing this step in the near future.

### PLANNING BOARD VACANCY

The Board of Selectmen noted that a vacancy  
exists on the Mattapoisett Planning Board.  
They invite any interested resident to sub-  
mit his or her name to the Selectmen's office.

### GENERATOR PROBLEM

The Board of Selectmen discussed the prob-  
lem of the emergency generator which failed  
to cut in automatically when the swan hit the  
power line. The generator has to be started  
manually in the yard. The Board decided to  
have the generator gone over by a generator  
expert to see what is needed to put the unit  
in proper operating condition to furnish emer-  
gency power to the police command center and

## The authentic Washington Camp Cup.

The originals were made in 1777 of melted-down silver  
dollars. They were the only touch of elegance Washington  
allowed himself in his austere winter camp.

Now the Valley Forge Historical Society has appointed  
Stieff -- only Stieff -- to reproduce for your pleasure

## Marion Bicentennial

#### GARDEN GROUP DONATES \$500 TO NEW PARK

The Marion Bicentennial has received a check in the amount of \$500 from the Marion Garden Discussion Group. The money will go toward construction of the new Bicentennial Park now underway on the corner of Main and Spring Streets.

In a letter from the group, Diana Tottenham requested that the funds go towards purchasing of plants for the eastern border of the park. Mrs. Tottenham said she hoped other town organizations would join with her garden group in supporting the park's development.

In other news, the sale of tickets for the Bicentennial Ball has begun at the Book-stall and the Marion branch of the National Bank of Wareham. Tickets will also be available shortly at the Cathay Temple in Mattapoisett. Marion residents are urged

to purchase tickets early, since reservations are limited, and a large attendance is expected to listen and dance to the music of the world famous Glenn Miller Orchestra. The ball will be held next December 4th at Massachusetts Maritime Academy.

Award ceremonies for the Bicentennial Poster and Essay Contests at Sippican School will be held on February 26th in the school auditorium. Winners have already been chosen and will be announced at that time. Prizes for first and second place in both categories will be given; in addition, because of the large number of excellent entries, honorable mention will be made of two additional essays and posters. Over 100 essays were received from students in grades 4-6, and more than 60 posters were submitted from grades 1-3.

# BEE-utiful BANK.

There are lots of nice things we could say about ourselves.

Like unexcelled. Or unequalled. Maybe unsurpassed. Or even unmatched.

And, happy to say, lots of folks who bank with us would agree. They've long since discovered what real convenience and real service are when it comes time to bank.

But, honestly now, we'd rather let them do our talking for us. Let them say the beautiful things.

Of course, we'd like you to find out for yourself what makes us BEE-utiful. And then you could say BEE-utiful things, too.

## Youth Hockey

Tired was the word for Monday, February 16, as the Mothers, Fathers, and Sons enjoyed a morning of family skating, sponsored by Rochester Youth Hockey at Moby Dick.

Almost 2 full hours of games between the fathers and sons in each division with the mothers adding the final touch. The mothers' team, coached by Marilyn Lee, defeated the Mites 2 to 0. Janet Bernier was in goal, with an outstanding game for the shut-out. Scoring for the mothers were Susan Ouimet and Nancy Lambalot with Kathy Caswell getting an assist.

The scores were not available for the father-son games, but understand the fathers had the edge??? That's what the fathers said.

Not bad for an out of shape, out of their mind bunch of Fathers and Mothers. At least the Mothers did have some shape!!

Two hours of free public skating followed the games, which was enjoyed by those who attended from Marion, Mattapoissett and Rochester.

RESULTS: Games played 2/14 and 2/15

**MIDGET DIVISION:** The Rochester Bearcats pulled the upset of the season by defeating Fairhaven 3 to 2. Dave Palmer (Craig Deluca), Deluca (Palmer), and Bill Barrett (Timmy Silva) did the scoring in this big win. A welcomed addition - Tim Bertrand was in goal.

**BANTAM DIVISION:** The Rochester Grizzlies won an easy one over New Bedford 9 to 1. Scoring hat-tricks were Mark Fairweather (Wally Hartley, u, Gary Stefan) and Tom Figuerido (Wally Hartley (2), Rusty Jenney). Also adding to this one side score were Chip Urquhart (Fairweather), Jenney (Steve Reed), Jenney (Figuerido). In non-league action the Grizzlies lost to the Bantams from Southeast Hockey 6 to 4. This game was played in Taunton with Rusty Jenney scoring 2 goals assisted by Hartley on both, Figuerido (Rick Souza) and Steve Reed (Figuerido).

The Kodiaks lost 5 to 4 in a nip and tuck battle with New Bedford. Scoring were Lenny Blodgett (Dave Cook), Cook (John Posiviata), Marc Beaulieu (u), and Jim Braden (Ernie Davoll).

**PEEWEE DIVISION:** The Rochester Bruins slipped by Acushnet 4 to 3. Led by Kevin

Blanchette who scored 2 goals assisted by Duncan MacDonald and Scotty Purtell, the Bruins needed the next 2 to win. They were scored by Rodney Morris (MacDonald) and MacDonald (u).

The Bears lost 2 to 1 with Billy Haymaker (Bob Stickles) scoring.

**SQUIRT DIVISION:** The Rochester Cubs won a thriller 1 to 0 over New Bedford. Scoring in the final minutes was Danny Lee assisted by Gary Sherman. Brendan MacDonald was in goal for the shut-out.

**MITE DIVISION:** The Rochester Pandas lost 3 to 0 to New Bedford.

Results of games played 2/21 and 2/22

**MIDGET DIVISION:** The Bearcats for the second week in a row defeated Fairhaven 2 to 1. Good goaltending by Glenn Gaspar and Tim Bertrand, with the scoring done by Steve Sorenson (Dave Palmer), Palmer (Timmy Silva) was all that was needed.

**BANTAM DIVISION:** The Grizzlies didn't have much trouble with Fairhaven as the 5 to 2 score shows. Mark Fairweather with 2 goals assisted by Paul Bailey on one and the other unassisted was the point leader in this one. Also scoring were Chip Urquhart (Fairweather), Souza (Fairweather) and Jenny (Reed).

The Kodiaks lost 4 to 1 against a good Dartmouth team. Scoring was Marc Beaulieu (Hank Chadwick).

**PEEWEE DIVISION:**

The Rochester Bruins skated by Fairhaven 6 to 1. Scoring were Kevin Blanchette (Wayne Sherman), Timmy Lynch (u), Blanchette (u), Scotty Purtell (Rodney Morris), Kent Fairweather (Blanchette), Lynch (Morris). Needless to say Kevin Blanchette was Dynamite, with Timmy Lynch the Fuse.

The Rochester Bears won a squeaker over New Bedford 3 to 2. Hitting the net for the win were Erik Enroth (u), Dana Barrows (John Braden), and Bob Stickles (Jamie Cameron). A good game.

## Cadette Scout News

Cadette Troop #49 has enjoyed many activities during the past few months. Over the Christmas holidays we decorated a tree at the Town Hall, made swags for some doors, went caroling, and we sold gingerbread at our booth at Center School.

In January we hiked out to Camp Green Briar for an overnight campout which was followed by a skating party the next day. We also put kits together for the Easter Seals Coffee Day. This month we served and cleaned up after the Cub Scouts' Blue and Gold Banquet. For Washington's Birthday we made favors for the patients' trays at Tobey Hospital. We went on another skating party this month at the Tabor rink and enjoyed ourselves a great deal.

Next month's activities include our second annual Pancake Breakfast. It will be held at St. Anthony's Church on March 7th from 8 A.M. to 11 A.M. Tickets may be purchased in advance from any Cadette or at the door. We hope we will have your support. Thank You,  
Troop #49.

ORR Junior and Senior High Schools have had, over the past several years, the most students participating in the District and All-State concerts of all the schools in this area. This includes students performing in the band, orchestra and chorus. This year the following students have not only auditioned, but because of the quality of their performances, have been chosen to participate in the concerts: Karen Buckley, Melanie Wolak, Sarah Woodcock, Dori Ripple, Kim Hardy, Kate Pierce, Nancy Ripple, Mary Gordon, Sue Sylvester, Marcia Westergard and Debbie LaPlante.

Every other year the high school band has gone to District auditions to be evaluated

and receive a rating as a group. The last three times the band has gone they have received the highest rating in the Class "C" category (the category being determined by the population of the school).

Two years ago our stage band was the only Massachusetts band to get into the finals and they won 2nd place. They competed against bands coming from Ohio, Pennsylvania, New York and all over New England.

We are looking forward to the presentation of "Pajama Game" by our high school students under the capable direction of Mrs. Susan Aronson. Mr. Thomas will lead the pit orchestra for the musical segments of the production.

Mr. Thomas is presently in the midst of preparing a band festival with several other high schools in the area. Every member of the band will be involved in the proceedings and this year ORRHHS will be the host school. Watch for more information about this exciting event!

Any parents who are interested are invited to come listen in and ask questions about all the activities which are going on. The ORRHHS band has been very active and the 8th graders are looking forward to performing with the high school band before the year is over. Also Mr. Thomas is hoping to

### World Day of Prayer

A thoughtful, challenging service of  
"conscious raising in worship" written  
by women of Latin America will focus the  
service for the "WORLD DAY OF PRAYER"  
scheduled for March 5th at the Chapel of  
Saint Gabriel's Episcopal Church. This  
90th annual service is held at each church  
in the community in turn. Millions of  
people in 169 countries form the individual  
links in a chain of prayer that encircles  
the planet earth. Before Americans awake,  
this worldwide day of prayer will begin on  
the islands in the Pacific, in Asia, Africa  
and Europe. It will continue to move across  
the Americas until the day closes in the  
Aleutian Islands. The words will be spoken  
in many languages, but the prayer is the  
same: "Education for all of Life". All the  
Church Women of Marion invite you to ex-  
perience the unifying power of prayer for  
an awareness of the wholeness of life with-  
out barriers to the full development of all  
persons. Members of the churches in Marion  
will participate in the service, which will

## Little League Basketball

The Orange basketball team won the first half championship of the Mattapoisett Little League basketball schedule last week with a 45-38 win over the previously unbeaten Blacks. Billy Quinlan poured in 30 points for the victors, while Paul Bettencourt added 10 more. The Orange defense, led by starters Bernie Talty, Scotty Purtell and Duncan McDonald, held the Blacks to 4 points in the first period as they drove to a 13-4 lead. Andy Lynch and Jeff Hoff led the Black attack.

Final standings for the first half were as follows: Orange 7-0, Blacks 6-1, Whites 5-2, Green 4-3, Red 3-4, Gold 2-5, Purple 1-6, and Blue 0-7. Second half play will continue until March 5th when the league playoffs will begin.

The continued winning streak of the Orange team in the first half of the league season extended the team's skein to 25 games in a row over a two year period, the longest winning streak in league history.

Other members of the Orange team who

played significant roles in the first half of the season are Mark Riley, Tim Quinlan, Peter Andrews, Steve Tinkham and Mark Cromanger.

## Rochester Seniors

Twenty-one members of the "Happy Rollers" bowling league attended the banquet held at the Windjammer Restaurant in Buzzards Bay on Monday, February 16th.

The meal was delicious, the social activities enjoyed by all.

It was heart-warming to those who have participated in this recreational community program to find the friendliness and good sportsmanship that has existed among this group.

Plans will be made for the summer bowling leagues that will start on Tuesday, May 4, through September.

Bowling Chairpeople who have served for the past three years are: George Preston, Bowling Chairman; Evelyn Benner, Treasurer and Banquet Chairperson; and Isabel Preston, Secretary and Publicity.

At the conclusion of the winter season, a luncheon will be held.

Concern for improving medical services to the community prompted the club to purchase a Cardio Beeper Monitor to be presented to the Selectmen of Mattapoisett for use by proper authorities. This small electrode device will be used in conjunction with equipment recently installed at Tobey Hospital. The patient's heart rate and rhythm are relayed by telephone or radio to the Cardio Beeper Decoder in Tobey's emergency room.

The Women's Community Guild is hoping this gift will be a life saving addition to our town's rescuing services.

## Easter Seal Coffee Day

Monday, March 1, will mark the official kick-off of Coffee Day for the Massachusetts Easter Seal Society in Mattapoisett, according to Helen Bettencourt and Betty Trow, local chairmen. Rochester will be coordinated by Grace Benjamin.

On that day, red and white buttons, bearing the words, "I Am Helping Crippled Children", will go on sale in restaurants, coffee shops and other eating establishments throughout Massachusetts.

Waitresses, counter personnel and cashiers will urge customers to buy a button. Then on Coffee Day, Friday, March 12, customers displaying the button may drink free coffee in any participating restaurant regardless of where they bought it.

The two-week event is designed to acquaint the general public with Easter Seal services and enlist financial support for them.

Last year, the statewide project raised more than \$35,000.

## **The Pilgrims' first winter didn't offer much to be thankful for.**

In the winter of 1620, a small town began to grow on the shores of Plymouth.

But as it grew, its population declined. More than half of the Pilgrims died, sometimes at the rate of two and three a day.

It was the toughest of winters. It was a season of starvation where the best meal

that could be offered the sick was some codfish and spring water.

But our forefathers persevered. The following October, twenty acres of corn ripened beautifully, and the Pilgrims were partakers of plenty.

Because of a unique group of men and women who were committed to Plymouth back in 1620, we won't have to face that kind of winter in our lifetime.

The tradition of that special commitment is alive in the people today who have inherited Plymouth Colony. And it's alive

at Plymouth Savings, Plymouth County's largest bank.

You might not be out to create a village in the wilderness, but you've probably got some pretty big things planned for your life. Plymouth Savings wants to work with you to make them all realities.
